**Attention all students
currently in Year 9, 10 or 11.**

**Are you ready to
experience a new culture?**

“It's an amazing life-changing experience.”

As a Rotary Youth Exchange student you'll learn and experience:

- a secure, safe and caring environment with a counsellor to look after your welfare
- an opportunity of a lifetime
- a new way of living
- a great deal about yourself
- a globally important new language
- being a Tasmanian ambassador
- cultural differences

Why Rotary?

For over 75 years, students and host families have broadened their horizons through Rotary Youth Exchange. More than 80 countries and 8000 students each year participate in the program.

Rotary Youth Exchange is recognised as one of the best student exchange programs for school, parents and students around the world on safety, cost and benefit. Students will see amazing places, make lifetime friends, absorb cultural diversity and enjoy being a young Tasmanian ambassador.

Student/family contribution is \$8,500

This covers:

- round-trip airfares
- insurance
- all training programs

Combined with what Rotary covers, this matches closely what it costs to maintain and educate a student in Tasmania for one year.

“You make life-long friendships with the host families, Rotarians and fellow exchange students and help to build goodwill and friendship between countries.”

“I've learnt a lot about myself, through becoming more confident, mature and independent.”

“Taiwan is an amazing country filled with incredible people. It became my home and I can't wait to go back.”
