ROTARY INTERNATIONAL PRESIDENT 2023-24

R. Gordon R. McInally

Rotary Club of South Queensferry

West Lothian, Scotland

R. Gordon R. McInally was educated at the Royal High School in Edinburgh and at the University of Dundee, where he earned his graduate degree in dental surgery. He operated his own dental practice in Edinburgh until 2016. Gordon was chair of the East of Scotland branch of the British Pedodontics Society and has held various academic positions. He has also served as a presbytery elder, chair of the Queensferry parish congregational board, and commissioner to the general assembly of the Church of Scotland.

Gordon joined Rotary in 1984 at age 26. A member of the Rotary Club of South Queensferry, he has served as president and vice president of Rotary International in Great Britain and Ireland (RIBI). He has also served RI as a director and on several committees, including as an adviser to the 2022 Houston Convention Committee and chair of the Operations

Review Committee.

Gordon looks forward to working with members to build new Rotary clubs and groups. “My vision is that Rotary should exist everywhere in a style to suit everyone who has the desire to be part of us and to help us do good in the world,”

Gordon is a patron of the UK-based non-profit Hope and Homes for Children and led a partnership between that organization and RIBI to support children in Rwanda who had been orphaned in the genocide there. He is a patron of Trade-Aid, an initiative of the Rotary Club of Grantham Kesteven, Lincolnshire, England, that provides sustainable humanitarian aid to individuals, families, and businesses in the developing world. He is also an ambassador for Bipolar UK, a national mental health organization.

In his free time, Gordon enjoys rugby, good food and wine, and stick dressing, the traditional Scottish craft of making walking sticks.

Gordon describes The Rotary Foundation as “the fuel that provides the energy to do Rotary service.” He and his spouse, Heather, also a Rotarian, are Paul Harris Fellows, Major Donors, and Benefactors of The Rotary Foundation. They are also members of the Bequest Society, Gordon wishes to dedicate his presidency to making the world a better place for his granddaughters, Ivy and Florence, to live and thrive.

DISTRICT LEADERSHIP TEAM

DISTRICT GOVERNOR MIKE PATTEN OAM

Michael (Mike) and Margot have lived in Lindisfarne for the last 30 years and are both members of the Rotary Club of Lindisfarne. They met while still at school and have been married for 49 years.

They have two adult sons and six grandchildren, all living in Tasmania. After graduating from Tas Uni, both were employed by the Department of Education, and they lived and worked in Schools and Libraries in many locations around Tasmania and Overseas before settling in Lindisfarne.

Mike is the son of a charter member of the Rotary Club of Glenorchy and his Rotary journey started in 1971 when he attended RYLA. He joined the Rotary Club of Oatlands in 1992, Moonah in 1993 where he was President in 1997-98 and Lindisfarne in 2000 where he was President in 2006-07 and again in 2019-20 and 2020-21. He was awarded a Paul Harris Fellow in 2010. Margot joined the Rotary Club of Lindisfarne in 2006, was President in 2010-11 and was awarded a PHF in 2013.

Margot was Charter President of the Innerwheel Club of Clarence in 2007-08 and was again President in 2018-19. She was Innerwheel District Chairman 2021-22.

Both Mike and Margot have been involved in many Rotary projects. They have hosted five overseas exchange students and both sons did Youth Exchange with RC Hobart. (Matthew Finland 2000 and Andrew Austria 2003) As inaugural Secretary, Margot assisted in the establishment of Rotary Youth Driver Awareness in Tasmania, and they worked together for nearly 10 years on the Rotary Australia Repurposing Equipment committee. Mike has been a long-time presenter at RYDA, RYPEN and the (RLI) Building Future Leaders Program and was a long-term member of the District Membership Committee. He was Assistant Governor Group 1 2015/16 and 2016/17 and District Trainer 2017/18, 2021/22 and 2022/23.

As we celebrated 100 years of Rotary in Tasmania, Mike is focused on ensuring Rotary adjusts to meet the needs of a changing world. Clubs and the District need to be fun and inclusive. They need quality projects to motivate new and existing members and they need to look for opportunities to start new Clubs. Mike will promote Rotarians as 'People of Action' and will work hard to support Clubs in their endeavours. Mike is looking forward to his project to increase awareness of Domestic Violence in the community and Margot is keen for her project to assist Clubs to conserve their Club histories.

Outside of Rotary, Mike has had a lifetime involvement in Scouts and was a Queen Scout in 1971. He has been a Scout, Venturer and Rover Leader for 41 years and was Chief Commissioner of Scouting in Tasmania 2010-16. He has a Silver Kangaroo Award and is a Life Member of the Tasmanian Branch. Mike was 2005 Australia Day Citizen of the Year, City of Clarence, for service to the residents of Clarence. In their spare time Mike and Margot have tried their hand at house renovation. They enjoy traveling, camping and 4WDing and spending time at their holiday place on the East Coast.

**DISTRICT GOVERNOR ELECT
PAM SCOTT OAM**

Pam was born and grew up in Melbourne, moving to Tasmania in 1999. Tasmania has provided many opportunities for her that would otherwise not have been available both personally and professionally.

Pam has a Bachelor of Applied Science degree and was initially employed in medical research, primarily in the area of high blood pressure research, before moving to forensic science.

As a forensic scientist Pam has examined evidence relating to crime, attended crime scenes and given evidence in Courts of Law. Since moving to Tasmania in 1999, Pam initially carried out DNA profiling on forensic casework and now manages the Forensic Biology section.

Pam has been fortunate to have the opportunity to contribute to the investigations relating to the Thailand tsunami and the Bali bombings, for which she was

awarded an OAM.

Pam is also a Justice of the Peace for the State of Tasmania.

Outside of work bushwalking has been a passion; day, overnight and multi-day walks. Pam has also led bushwalks and taught bushwalking and navigation skills and had great pleasure from seeing the new leaders and navigators gain confidence in their own abilities to lead and navigate – the old-fashioned way with map and compass! Pam also enjoys camping, travelling and gardening.

Pam first joined Rotary in 2002 as a member of the Rotary Club of Salamanca but after several years work commitments made it difficult to continue with Rotary. Pam re-joined Rotary, again at the Rotary Club of Salamanca, in 2017 and since then has had various roles including Secretary, President and currently Assistant Governor for Group 1 clubs.

In her time in Rotary Pam has participated in a number of Rotary programs including RYDA, RYPEN and NYSF. Pam was awarded a Paul Harris Fellowship by the Rotary Club of Salamanca in 2021.

Pam is keen to see knowledge and experience of Rotary increased throughout the community by promoting the work that Rotarians undertake.

**DISTRICT GOVERNOR NOMINEE
CRAIG PERKINS**

Craig has worked in local government (6 years) and regional development for nearly 20 years including 15 years as CEO and Director of Regional Development for the Regional development Australia Tasmania Committee. Over this period, he has worked with communities to support their strategic development, economic growth and improving social capacity.

Craig is currently the Regional and Economic Development Manager for Northern Tasmanian Development Corporation, he has a Bachelor of Commerce (Marketing and International Business), Master of Business Management, a graduate of the Tasmanian Leaders Program, and has also been awarded a Diploma for successfully completing the AICD Company Directors course.

Craig was elected member with the Meander Valley Council for 9 years, including the last 7 as mayor, having stepped down in October 2018.

Craig joined the Rotary Club of Central Launceston in 2005 and has been actively involved in the club over that time. His commitment acknowledges the valuable role that Rotary plays in our community, and he strives to continually be the best Rotarian he can be, notwithstanding his many other commitments. Craig has strong networks across Tasmania and a good understanding of the opportunities and challenges that community's face. Craig is the immediate Past President of the Rotary Club of Central Launceston,

Craig is also the Chair of Ten Days on the Island, a board member of Crimestoppers Tasmania, the Launceston Chamber of Commerce, and the Launceston City Football Club. He is also an active hockey and golf player and a recent convert to caravanning!

Craig is married to Leith.

ASSISTANT GOVERNORS (AG's):

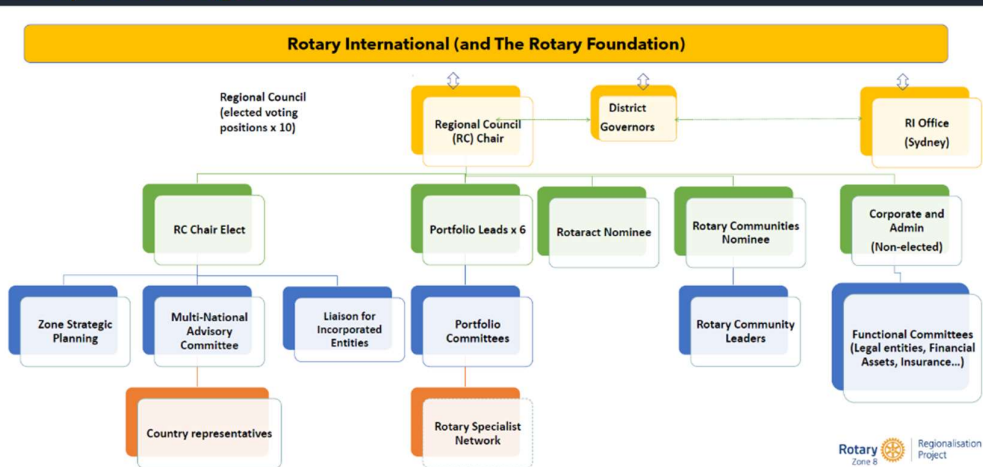

AGs are appointed by the District Governor to act as a liaison between clubs and the District Leadership Team, to mentor club presidents, and to assist clubs as follows:

- Making regular visits to clubs (at least three times a year as guests of the club)
- Conducting quarterly meetings with the group's club presidents
- Assisting club presidents with strategies, planning, checklist activities and more
- Informing the District Governor on activities and progress of clubs
- Arrange and conduct an annual Group Forum in collaboration with club presidents.
- Encourage all Rotarians as appropriate to attend district events and training activities.

Key Milestones for the Pilot

Proposed regional structure

The Regionalization project will be rolled out during 2023-24 for UpToDate information go to:

<https://creatingtomorrowrotary.org/>

PDG Heather Chong and DGE Pam Scott are co-chairs of the Regionalization Committee for District 9830

MEMBERSHIP BENEFITS

What is Rotary?

Rotary is a global network of community volunteers. Rotary club members are everyday community minded people, within your locality who meet to plan and implement community service activities and network with other likeminded people. Members can also choose to become involved in international humanitarian service efforts. More than 1.4 million men and women in over 200 countries and geographical areas belong to some 46,000 Rotary clubs. Rotary builds international understanding through scholarships, exchange programs, and humanitarian grants. Throughout the world, Rotary clubs participate in a broad range of educational, intercultural, and humanitarian activities designed to improve the lives of others.

Why Rotary?

The Opportunity to Serve – You Can Make a Difference:

Service is what Rotarians do. We change the lives of others in need.

Rotary gives our members the ability to make a difference and provides an exclusive benefit to follow your passion in helping others. Rotary empowers our membership to dream large in addressing needs in local and international communities.

There is no other organisation that has the structure, the network and resources that are available to its membership. Individual members create our projects – from the global eradication of polio to a local beautification project – our members determine our action.

Community:

Belonging to a Rotary club provides members with an opportunity to make a contribution to their own communities and to communities around the world. Members join Rotary for many reasons, including community involvement. But perhaps the most important benefit is the satisfaction gained from making a real difference in the world.

Fun:

Rotary is fun. Our club meetings, projects, social activities and gatherings are filled with fellowship and wellbeing. Our members are friendly, welcoming and engaging. Our Clubs provide a platform for members feeling Welcomed, Respected and Valued

Friendship:

Rotarians create lifelong friendships. The relationships created are with a network of local and international community like-minded people.

International Awareness:

Rotarians gain an understanding of humanitarian issues through international service projects and exchange programs. One of Rotary's highest objectives is to build goodwill and peace throughout the world.

Youth and Family:

Rotary sponsors one of the world's largest youth exchange, educational exchange, and scholarship programs. Rotary clubs provide innovative training opportunities and mentoring for young leaders and involve family members in a wide range of social and service activities.

Professional Development:

Rotarians have a culture of integrity and purpose. Our members are exposed to people in a vast range of vocations; by this association, our members not only enhance their opportunities, they learn from and identify with the leaders in their community.

Personal Growth:

Rotary takes ordinary individuals and puts them into extraordinary circumstance. You are exposed to new thoughts, new ideas and new opportunities to learn. Our members develop skills that help to make them better – better individuals, community leaders, internationalists, and humanitarians.

Leadership Development:

Membership in Rotary develops leaders and leadership skills. We provide leadership training at all levels of our organisation. Rotary's brand of leadership is distinctive. We teach how to lead leaders in a volunteer organisation. If you can be an effective Rotary leader, you will be a better community leader.

Public Speaking Skills:

Rotary club meetings and events place a high value and regard on effective public speaking. Participating in a Rotary club helps our member to develop confidence and skills in public communication and the opportunity to use it.

Opportunities for the Family:

Involvement in a Rotary club integrates the family into a community's support network. Lifelong relationships and friendships are created that can support a family for years. Rotary service projects are an ideal opportunity for working with your children to teach them the value of helping others. Finally, Rotary's Next Generation programs can help the children of Rotarians to develop skills and experiences that can distinguish them as they apply to colleges and universities.

Ethical Principles:

One of Rotary's core principles is to maintain high ethical standards. Rotarians are expected to be ethical in business and personal relationships. Rotarians presume the goodness in one another, in both a business and volunteer capacity.

ROTARY'S CORE VALUES

“Service Above Self”

Rotary's Core Values

Rotary's core values represent the guiding principles of the organization's culture, including what guides members' priorities and actions within the organization. Values are an increasingly important component in strategic planning because they drive the intent and direction of the organization's leadership.

1. Fellowship

We believe that individual efforts focus on individual needs, but combined efforts serve humanity. The power of combined efforts knows no limitation, multiplies resources, and broadens our lives and perspectives. Fellowship leads to tolerance and transcends racial, national, and other boundaries.

2. Diversity

We believe Rotary unifies all people internationally behind the ideal of service. We encourage diversity of vocations within our membership and in our activities and service work. A club that reflects its business and professional community is a club with a key to its future.

3. Integrity

We are committed to and expect accountability from our leaders and fellow members, both in the results of our efforts and in the processes we use to accomplish our goals. We adhere to high ethical and professional standards in our work and personal relationships. We are fair and respectful in our interactions, and we conscientiously steward the resources entrusted to us.

4. Leadership

We are a global fellowship of individuals who are leaders in their fields of endeavor. We believe in the importance of leadership development and in leadership as a quality of our members. As Rotarians, we are leaders in implementing our core values.

ROTARIAN CODE OF CONDUCT

As a Rotarian, I will:

- Act with integrity and high ethical standards in my personal and professional life.
- Deal fairly with others and treat them and their occupations with respect.
- Use my professional skills through Rotary to mentor young people, help those with special needs, and improve people's quality of life in my community and in the world.
- Avoid behaviour that reflects adversely on Rotary or other Rotarians.

ROTARY'S AREAS OF FOCUS

We direct our efforts to enhance our local and global impact. Our aim is to create successful and sustainable projects and activities that fall within one of the following areas:

- Peacebuilding and Conflict Prevention
- Disease Prevention and Treatment
- Water, Sanitation, and Hygiene
- Maternal and Child Health
- Basic Education and Literacy
- Community Economic Development
- Environment

AVENUES OF SERVICE

The Five Avenues of Service for Rotarians are:

- Club Service
- Vocational Service
- Community Service
- International Service
- New Generations Service

Recognizing members for their service within your club and the community helps keep them motivated and inspires others, too.

Members can be recognized by a club president with an award in one of the Avenues of Service areas. Please contact the DG to collect a signed Certificate.

When a member has received each of these five district-level awards, they become eligible for the “**Rotary’s Avenues of Service Award**”. When this happens contact the DG to endorse the nomination.

Check “**My Rotary**” for details.

ROTARY INTERNATIONAL STRATEGIC PLAN

Rotary international has four priorities and under each goal there are several objectives.

1. Increase our Impact:

So that Rotary can continue to attract members, partners and donors, we need to focus our programs and produce evidence of lasting impact.

- Eradicate polio and leverage the legacy.
- Focus on programs and offerings.
- Improve our ability to achieve and measure impact.

2. Expand our Reach:

People are always looking to make a difference in the world, to make it a better and safer place in which to live. Rotary can help by creating unique opportunities for people and organisations, using its global reach. Clubs of course will always be important.

- Grow and diversify our membership and participation.
- Create new channels into Rotary.
- Increase Rotary’s openness and appeal.
- Build awareness of our impact, activities and brand

3. Enhance Participant Engagement:

Rotary will support club activities to deliver an experience that engages and retains members.

- Support clubs to better engage their members.
- Develop a participant-centred approach to deliver value.
- Offer new opportunities for personal and professional connection.
- Provide leadership development and skill training.

4. Increase our Ability to Adapt:

To achieve our vision and keep pace with changing global trends, our structure and culture must evolve. RI must ensure that the operating and governance structures are efficient, flexible and effective in delivering services to all of their participants.

- Build a culture of research, innovation and willingness to take risk.
- Streamline governance, structure and process.
- Review governance to foster more diverse perspectives in decision making.

ROTARY'S VISION STATEMENT

“Together, we see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.”

ROTARY'S ACTION PLAN

” To increase our impact, expand our reach, enhance participant engagement, and increase our ability to adapt.”

DISTRICT STRATEGIC PLAN

Our District follows the Rotary International seven priorities and in conjunction with those priorities the following outlines the District Strategic Plan

1. Increase our Impact:

- Leverage the legacy from the eradication of Polio, onto new projects, locally and internationally.
- Continue to attract members, partners and donors, to focus our programs and produce evidence of lasting community recognition and impact.
- Focus on programs and offerings that deliver benefit to the Community.

2. Expand our Reach:

- Grow our membership through Diversity, Equity, and Inclusive principals.
- Create new channels into Rotary.
- Increase Rotary's openness and appeal to the younger generation (20-40 age range)
- Broaden community awareness of our activities and brand.

3. Enhance Participant Engagement:

- Support clubs to better engage and retain their members.
- Expand opportunities for personal and professional connection.
- Provide leadership development training.
- Create an inclusive club environment to retain members through being Welcomed, Respected and Valued.

4. Increase our Ability to Adapt:

To achieve our vision and keep pace with changing trends, our District structure and culture must continue to evolve.

- Be innovative and supportive of new and emerging club models.
- Maintain governance, structure and process.
- Review governance to foster more diverse perspectives in decision making.

ROTARY'S 2023-24 GOALS

Rotary International President R Gordon McInally has set the following goals for 2023-24.

1. Prioritizing Mental Health:

Talking about mental illness and emotional health may feel uncomfortable, but it's vital to the well-being of our global community. Creating a space where it's safe to address these issues will help provide a welcoming, equitable, and inclusive environment for everyone who interacts with us.

In 2023-24, Gordon will encourage clubs and districts to undertake activities that:

- Erase any stigma associated with discussions of emotional well-being.
- Raise awareness of mental health needs
- Improve access to mental health services.

2. Building Peace Through Virtual Exchanges:

Rotary has a long history of working for peace through personal connections, but the COVID-19 pandemic has made it difficult to do that face-to-face. Inspired by what we've learned during this time, Gordon will encourage districts to incorporate virtual components into more of their programs, events, and activities. By using innovative technologies to make connections, we give more people the opportunity to experience our global community.

Adding or maintaining these components in Rotary Youth Exchanges, New Generations Service Exchanges, Rotary Friendship Exchanges, and other programs in 2023-24 will:

- Give members and participants new ways to experience other cultures, make new friends, and broaden their global awareness.
- Make membership more accessible to people with time, health, or financial considerations.
- Build stronger intercultural communication and understanding, and ultimately foster more stable and peaceful communities.

3. Empowering Girls:

Gordon will continue the initiative launched by 2021-22 RI President Shekhar Mehta and maintained by 2022-23 RI President Jennifer Jones that focused on empowering girls and women around the world. We encourage members to keep finding ways to improve the health, well-being, education, and economic security of girls.

DISTRICT GOALS

District Governor Mike Patten OAM has set the following goals for 2023-24

- Membership – start two Satellite Clubs
- Membership- Target 1100 members
- Interact - Start new Interact Clubs - encouraging high school students about Community Service
- Rotaract – Strengthening existing clubs and create new Rotaract Clubs
- Club Interface - Foster greater interclub support on projects and or support of major projects.
- Embrace both the District Projects
 - ❖ Women's Health - Rotary Tasmania Gynaecological Cancers Project
 - ❖ Domestic Violence Awareness Project
- Build up to the Centenary of Rotary in Tasmania in 2024.
- 100 Peace Poles for 100 Years.
- Develop a policy for the storage and presentation of Rotary History

MY ROTARY (myrotary.org)

All Rotarians are encouraged to register for “My Rotary”.

Club office bearers must be registered to fulfill their roles as well as access official Rotary material and training documents.

Signing in to “My Rotary” gives all members access to a wealth of information about the great organisation that Rotary is. There is a plethora of information and an excellent Learning Centre that not only provides courses on Club and District roles but also self-development courses.

Any club member can create an account after which signing in is a simple task.

To register:

- Go to rotary.org/myrotary
- Click on the ‘sign in/register’ button, followed by the ‘create account’ button.
- Enter your first name, last name, and your email address (as reported/used in the RI database)
- Answer the question/s
- Click on the link in the email that will be sent to you to activate your account.
- Choose your own password and secret question.

Once registered, you can change your login email and password if and when you choose.

My Rotary enables **club officers** to:

- View and change club membership data
- Pay club dues.
- Search club and district data
- Input Club Annual Goals
- Update club data – including service hours and goals progress.
- View reports – for example, The Rotary Foundation contributions.

Changes in club membership **MUST** be recorded in “My Rotary” within 30 days of a member joining or leaving. The following club officers can change a club’s records:

- Club President
- Club Secretary
- Club Treasurer
- Club Executive Officer

PLEASE NOTE:

Club Secretaries must advise Rotary International of incoming office bearers (President Elect, Secretary Elect, Treasurer Elect and Executive Officer (elect) on or before 1 February, or as soon after this date as possible, each year using the Incoming Officers tab on My Rotary.

Contact **Richard Horswill** initially for support or “My Rotary” Enquiries.

Regional Implementation Coordinator	Trudy Grice	Trudy.Grice@rotary.or Ph: +61 2 8894 9810
-------------------------------------	-------------	---

DISTRICT ADMINISTRATION

The District Governor appoints Rotarians to district committees to assist him/her in running the activities of the district. The District Governor is an ex officio member of all district committees.

DISTRICT SECRETARY:

The District Secretary is the chief administrative officer for the district and is concerned with the effective operation of the district and Rotary clubs. This includes the following: compliance with state legislation, RI requirements and policies, district and club constitutions, governance, district communications, calling meetings and recording minutes and more.

District Secretary **Richard Horswill** **Lindisfarne**

DISTRICT DIRECTORY:

The District Directory is published by the District Secretary. The purpose of the Directory is to inform and educate Rotarians about the activities we undertake in our own district. It provides contact information and resources. The information in the directory enables every Rotarian a chance to increase understanding of our collective efforts as a part of Rotary International.

District Secretary **Richard Horswill** **Lindisfarne**

DISTRICT GOVERNOR NEWS:

DG News is the district communication document that is published by the DG News Editor and distributed electronically to all Rotarians in the district.

DG News Editor: **Richard Horswill** **Lindisfarne**

DISTRICT LEGAL ASSISTANCE:

For assistance to clubs with legal enquiries regarding Rotary matters.

District Legal Officer: **Ross Hart** **Launceston**

COUNCIL ON LEGISLATION & COUNCIL ON RESOLUTIONS:

The Council on Legislation is the body assembled on behalf of Rotary International to review and vote on proposed changes to the legislation that governs Rotary. They consider enactments, which change Rotary's governing documents and position statements by the RI Board.

The Council on Resolutions meets online every year to vote on proposed resolutions. Resolutions are requests to the Board or the Trustees to take an action that is outside the purview of the constitutional documents. Ideally, a resolution should affect the Rotary world, rather than address local or administrative issues.

Each Rotary district chooses a representative for a three-year term. These members represent their districts at all three meetings of the Council on Resolutions and at the Council on Legislation during their term.

District CoL Representative: **Michael Plunkett** **Deloraine**

PROTOCOLS AND RESOLUTIONS:

This committee provides assistance and advice with protocols and assists the District Governor to prepare resolutions for the District Conference and the District AGM.

Members: **DG, IPDG, CoL Rep.**

PROTECTION OFFICER:

The District Protection Officer's role includes the following:

- Monitor changes in national and local laws related to youth protection, as well as any changes in RI policies, and relate them to the governor and district program chairs.
- Work with the district and clubs to inform all Rotarians of their youth protection obligations.
- Confirm that appropriate screening measures are conducted for all youth programs, in compliance with Rotary policies and local laws.
- Direct the selection of Rotarian and non-Rotarian volunteers and ensure that volunteer screening is documented appropriately.
- Ensure that appropriate training is provided to Rotarians, other volunteers and youth program

participants and their parents.

- Oversee proper handling of allegations and protect the interests of all who are involved.
- Maintain records of all allegations of abuse, harassment, or other crises.
- Keep records for the District Governor for those members with a WWVP card and Volunteer Declaration (Form 3).

District Protection Officer: **Darrell Booth** **Tasman**

EMERGENCY RELIEF FUND:

The committee is responsible for the initial determination of need and coordination of supply of emergency relief requirements throughout the district. The district maintains a small cash reserve to facilitate prompt action.

Committee: **IPDG, DGE, Director – Service Projects**

DIVERSITY, EQUITY, INCLUSION (DEI):

The committee is responsible for providing clubs with guidance and understanding of what the objectives are to ensure Rotary is a welcoming and inclusive community by:

- a. Learning more about DEI in Rotary, including understanding definitions and how to celebrate and respect our differences.
- b. Determining why DEI matters to clubs and community and how using DEI principles can help clubs grow and become stronger.
- c. Raising awareness of DEI, including supporting the creation of a club DEI committee that reflects the demographics of its community.
- d. Taking action on DEI both in the club and community for instance educating about underrepresented groups in the community in order to become a more knowledgeable and effective advocate for DEI.

Committee Chair: **Una Hobday** **Hobart**

DISTRICT FINANCE

DISTRICT FINANCE MANAGER: **Michael PLUNKETT** **Deloraine**

The District Finance Manager is the Chief Financial Officer for the district and is responsible for all aspects of cash handling and collection, accounting, and financial and tax reporting in accord with the relevant Australian Standards.

District dues, insurance payments and invoices for items covered by the approved district budget are to be forwarded to the District Finance Manager. No expenditure or payments will be made until approved by the District Governor and the District Finance Manager.

District Finance Committee: **DFM, DG, DSec.**
District Auditor: **Wise, Lord and Ferguson**

DISTRICT INSURANCE

The District, Clubs, Rotarians, and their partners and volunteers are covered by the Rotary International Insurance Program whilst engaged in officially constituted Rotary activities. For details or questions on whether a particular event is covered, please contact the District Insurance Officer (**DIO**). Policy details are also available on the district website.

District Insurance Officer: **Paul Swifte** **Hobart**

LEARNING AND DEVELOPMENT

DISTRICT LEARNING & DEVELOPMENT CO-ORD.: **C Ross Carlyle** **Sandy Bay**

The District Learning and Development Coordinator's role is to assist the District Governor Elect to prepare Presidents Elect and their Boards prior to their year through an annual calendar of learning and development events including District Leadership Team (**DLT**) training, Presidents Elect Training Seminars (**PETS**) and District Training Assembly (**DTA**). Also, the role includes continuing to build the cadre of future leaders through Rotary Leadership Institute (**RLI**) / Building Future Leader Seminars.

PRESIDENT ELECT TRAINING SEMINAR (PETS):

The purpose of the President Elect Training Seminar is to provide club presidents with the current and necessary skills, knowledge and motivation to lead an effective club. All Presidents Elect are required by RI to attend PETS prior to becoming a Club President. Presidents Nominee and Secretaries Elect are also welcome to attend. PETS is usually held in March each year.

DISTRICT TRAINING ASSEMBLY (DTA):

The District Training Assembly offers the opportunity for club officers, committee chairs and assistant governors to learn about their roles, further develop leadership skills and refine strategies to achieve their goals. All Rotarians who accept key club leadership roles are encouraged to attend the District Training Assembly. Training assemblies like this are the best way to help your club be even more successful. Participants will discover tips to assist with the continual improvement of clubs and districts. Attendees should include all of the incoming Club Board. All Rotarians are welcome to attend. DTA is usually held in May each year.

BUILDING FUTURE LEADERS:

The mission of The Rotary Leadership Institute is to provide an educational opportunity for Rotarians. Rotary needs a constant influx of leaders as club officers, since they mostly change every year. It is often difficult at the club level to learn enough about the exciting world of Rotary, and it is also important to remember that leadership skills in volunteer organisations are often different from business leadership skills.

The Rotary Leadership Institute, through 'Building Future Leaders' can help with this. Attendance is open to all Rotarians and costs are covered by the Clubs.

The program is a combination of zoom meetings and a one-day face to face session. To earn the certificate, participants must complete all sessions, but it is possible to do them in any order. Participants who do not wish to earn the certificate can join the group for any part of the program.

MEMBERSHIP

The Director – Membership assists the district by

- Supporting existing clubs by promoting recruitment of new members and retention of existing members, through sharing information, arranging workshops and making Club visits.
- Investigating suitable locations for new clubs and or satellite clubs and assisting sponsor clubs in their support role.

Membership Happens at Club level and is the product of good management, good programs, good projects and happy Clubs.

Membership is everyone's business! Every Rotarian needs to ensure that Club members and new volunteers feel welcome, respected, and valued. We also need to ensure all members in our Rotary family feel the reward of their involvement in Rotary. Running friendly inclusive meetings, taking on meaningful projects, publicising our many successes and being seen in the community is how we attract new members. Successfully completing service projects, enjoying fellowship, and making new friends is how we retain members. Above all we need to ensure that the Rotary experience is fun.

District 9830 has the opportunity in 2023-24 to start several new clubs as well as grow the appeal of our existing Clubs. Two new clubs and two additional members in each existing club would go a long way to ensure the future of Rotary in Tasmania

When you consider membership of your Club, ask yourself questions like

- Does every visitor feel welcome?
- Are you inclusive with who you invite to meetings?
- What do you do to attract younger Rotarians?
- What family friendly events do you run?
- Are members enjoying the community service that club does?
- What have you done differently in your club which has helped boost membership?

Remember, Membership is everyone's business!!

DEVELOPMENT & RETENTION:

Chair

Ricky Charles

Burnie West

ROTARY CONNECTIONS – ALUMNI:

As alumni, you are part of an incredible network of leaders engaged in service around the world. The purpose of Rotary Connections is to maintain contact with participants in Youth and Young Adult Rotary Programs so that they stay engaged and involved in the Rotary family.

Director:

TBA

MEMBERSHIP DATA:

Maintenance of membership data on behalf of the District Governor.

Chair:

John Hibbins

Latrobe

NEW CLUB DEVELOPMENT:

The district is continually seeking opportunities for club development:

New clubs in greenfield locations, new types of clubs (e-clubs, satellite clubs, passport clubs).

Chair:

Ricky Charles

Burnie West

CLUB PLANNING:

The district has trained facilitators readily available to enable your Club Visioning process.

Coordinators:

Malcolm Portwin

Sandy Bay

MEMBERSHIP TYPES:

There are several new types of membership being supported by the district as outlined below.

To take advantage of any of these options, clubs may need to amend their Bylaws to accommodate accordingly.

CLUB MEMBER:

Rotary is an organisation with over 1.2 million+ members in over 35,000 clubs spread around the world.

- Club membership has been the key to Rotary's long-term success.
- Individuals are club members (with voting rights, registered in My Rotary)
- Rotary is organised around clubs, which are the building blocks of the organisation.
- Club members are 'People of Action'.

SATELLITE CLUB MEMBER:

Clubs are encouraged to sponsor a Satellite club. (Smaller groups: - Professional Development, Special Interest, Small Community, Start-up)

Satellite Clubs are an extension of the Sponsor Club, offering an alternative meeting style, time and place to the Sponsor Club. A member of a Satellite Club is a member of the Sponsor Club. The aim is for each Satellite Club to become a chartered Rotary Club. Satellite Clubs may suit groups of Rotarians with interests in a

particular cause. Satellite club members are all active club members with full rights and privileges of the parent club.

CORPORATE MEMBER:

Clubs may choose to admit corporate members.

This membership category allows an organisation or company in the club's area to become a member of the Rotary club, through an established membership approval process, and to appoint up to four designees as the individuals attending club meetings, serving on projects and so on.

- Designated person is the nominal club member (one person registered in My Rotary, one vote at district and international level)
- Up to three other nominated designees (registered in club records)
- Club determines whether designated person and/or nominated designees can hold office and have voting rights within the club.
- Name badges included.
- Designated person entitled to wear Rotary lapel pin.
- Club determines fee payable by corporate member and what that fee covers.
- Pay own way when attending club meetings and/or events.

eCLUB MEMBER:

eClubs are web-based Rotary clubs which are essentially like any other Rotary club.

Meeting online may better suit someone who has a busy schedule, limited mobility, or live in an area without a Rotary club. Clubs that meet online may arrange to meet in person for service projects, social activities or Rotary events. As an example, the Rotary Convention or District Conference.

- Active club member with full rights and privileges

HONORARY MEMBER:

Clubs may choose to admit Honorary members.

Persons who have distinguished themselves by meritorious service in the furtherance of Rotary ideals and those persons considered friends of Rotary for their permanent support of Rotary's causes, and those past members a club may choose to honour, may be offered Honorary membership. Length of appointment is determined by the club board.

- Free club membership (no voting rights, not registered in My Rotary)
- Clubs may choose to provide a generic 'Honorary member' name badge. for use while an Honorary member
- Not entitled to wear Rotary lapel pin.
- Registered in My Rotary as 'Honorary member'
- Pay own way when attending club meetings and/or events.

FRIENDS OF ROTARY:

Some clubs welcome 'Friends of Rotary'.

'Friends of Rotary' is the vehicle clubs may use to record the extra help (human resources) they may need in order to provide and facilitate a service activity. An example is the Tasmanian Craft Fair where the RC Deloraine registers as 'Friends of Rotary' the many extra people who assist in the running of the fair.

- Registered in club records as 'Friend of Rotary'.
- No name badge.
- Not entitled to wear Rotary lapel pin.
- No Rotary recognition other than 'Friend of Rotary'
- Pay own way if attending event.

FAMILY MEMBER:

Clubs may choose to admit Family members.

Family members are individuals who are related to a club member, such as a spouse, partner, child or grandchild. Like Associate members, Family members become acquainted with the Rotary club, its members, its programs and projects assisting when and where they can.

- Payment of a nominal club fee but exempt from district and RI fees (no voting rights, not registered in My Rotary)
- Name badge included, e.g., Jane Smith, Family member.

- Not entitled to wear Rotary lapel pin.
- Registered in club records as a Family member.
- Pay own way when attending club meetings and/or events.

ASSOCIATE MEMBER:

Clubs may choose to admit Associate members.

This membership type allows an individual to become associated and acquainted with a Rotary club, its members, its programs and projects and the expectations of club membership with the intent of becoming an active member within a designated period of time.

- Associate member from starting time to the end of that particular Rotary year e.g. start as Associate member in April and end on 30 June
- No fees (no voting rights, not registered in My Rotary)
- Club supplies generic 'Associate member' name badge for use whilst an Associate member.
- Not entitled to wear Rotary lapel pin.
- Registered in club records as Associate member.
- Pay own way when attending club meetings and/or events.

CLUB SPONSORS

Another valuable asset for a club is to have a club sponsor, or several sponsors. Club sponsorship may be for those individuals or businesspeople with a social conscience, who cannot donate time, but will support a club and/or community related activities via a donation. This may be either cash or goods in lieu. The way a club chooses to recognise sponsor(s) is up to the club to decide. Suggestions for this include the following:

- Invite sponsor(s) to attend key club events as guests of the club.
- Recognise sponsor(s) by presenting a framed 'club sponsor' certificate.

The use of a sponsorship donation depends on its intended purpose:

- If given to the club for administrative or general use the club may decide to use it, for example, to offset membership fees.
- If given for a specific service project or cause, the donation must be channelled through the service activities accounts.

PUBLIC IMAGE

DIRECTOR:

Roslyn Teirney

North Hobart

The Director – Public Image manages the district public relations and communications activities and is available to assist clubs in developing publicity that both supports Rotary International's marketing themes and raises the profile of the Rotary brand within the district.

OUR BRAND:

The Masterbrand and Mark of Excellence replaced the Legacy Wheel in July 2013.

The Masterbrand signature is the common branding theme for all Rotary materials and has been the standard since 2013. It is to be used on all documents, brochures, pamphlets, banners, letterheads, clothing, websites, signage, marketing, etc. It's simple and conveys a common easily recognised identity for Rotary world-wide. The logos come in different sizes, formats and resolutions. There are several versions available from colour to B&W. They are customisable to include club name and clubs must only use the brand of their own club.

Visit: brandcenter.rotary.org/en-GB/Logos to preview what's on offer.

- Rotary International strongly discourages use of the Legacy Wheel
- The Masterbrand is the identifier that should be on all things 'Rotary'.
- The Mark of Excellence may be used as long as the Masterbrand appears also.
- Clubs must identify themselves when using the Masterbrand.

GUIDELINES ON USE OF THE ROTARY MARK

There are two components to the Brand.

1. **MASTERBRAND:** i.e. The word Rotary with Wheel on right

The Masterbrand Signature as it is shown below with the word Rotary and wheel can only be used by Rotary International in this format, not by clubs.

Rotary Clubs and Districts are required to use the Masterbrand by personalising it to their own Club or District at the Brand Centre on My Rotary.

Templates are available in the members section of the website and at:
My Rotary > Manage > Brand Centre > Logos > Template > View

MARK OF EXCELLENCE: i.e. The Rotary Wheel alone

The Mark of Excellence or wheel alone **should not** be used on its own. It can only be used when the Master Brand is somewhere in the document.

How to use the Rotary Marks

All clubs are encouraged to use the Rotary branding templates available on My Rotary. The golden rules are:

1. If you wish to use the Mark of Excellence, you must also have the Masterbrand, personalised to your club or district on the same page/screen/brochure, etc.
2. The Wheel cannot be used on its own without the Masterbrand.
3. You can use a Lock Up which is shown below for projects of the club or district.

Please review the Voice and Visual Identity Guidelines available at:

My Rotary > Manage > Brand Centre > Guidelines > Voice and Visual Identity Guidelines

Projects of Rotary which are not formal Rotary Programs (for example RYDA, Interplast) cannot use the logo without specific approval. Please check with Rotary International Office at Parramatta at risppo@rotary.org for clarification if you are unsure of how to use the logo.

OUR PUBLIC IMAGE CAMPAIGN:

Rotary International created a global ad campaign called People of Action. The campaign is based on research that revealed that while many people have heard of Rotary, few understand what Rotary clubs do. By downloading the materials in the Brand Centre, you can tell your club's story in a consistent, compelling way.

This campaign targets people who know little about Rotary or why it is relevant to them. The campaign targets potential members who want to make a difference in their communities, those interested in Rotary's causes and people looking to establish relationships with others in their communities.

Rotarians share a unique passion for taking action to improve their communities and the world. Where others see problems, we see solutions. This is our chance to show others how Rotarians see what's possible in their communities and to highlight what we can achieve when more community leaders join Rotary. Check out 'toolkits' and 'people of action' at The Brand Centre.

DISTRICT WEBSITE:

The District Website is a useful resource for both Rotarians and the general public. It is a living document that is continually updated to reflect the activity in the district.

<https://rotary9830.org.au>

The district website contains information on:

- The latest news from clubs and the district programs
- District calendar
- How to get involved
- Who to contact.
- Links to Rotary International and Australian information
- A Members Home section - member only access
- Details all Rotarians in the District with contact details.
- Details of Clubs and meeting times (note: meetings times can vary)

Webmaster:

Dante Bongiovanni

Lindisfarne

Web Administrator:

Richard Horswill

Lindisfarne

SOCIAL MEDIA;

Rotary Tasmania Family page is a Facebook group which is for **internal communications, reminders and celebrations**.

facebook.com/groups/rotarytasmembers/

Rotary Tasmania is for communication of what Rotary does with the wider community.

facebook.com/RotaryTasmania/

As part of our effort to document the impact of Rotary's work in the local community, there is another Facebook group for showcasing Rotary's contribution to parks and recreation.

facebook.com/groups/810312055980757/

When people are making the decision to join Rotary, very often they first do their research on clubs online. Hence, being on social media is an important Membership strategy.

Rotary's presence on social media is becoming the key to building brand awareness and expanding community beyond your club.

- Build awareness.
- Drive donations
- Inspire partnerships.
- Increase visibility.
- Engage community.

What should we post? People engage with content that.

- Connects with their passions.
- Gives them ideas and inspiration.
- Helps them achieve their goals.
- Entertains them.

Images are important. Choose photos that tell the world about Rotary, specifically that Rotarians are:

- Smart
- Compassionate
- Persevering
- Inspiring

Focus on the seven Rotary Foundation areas of focus and acknowledge your strategic partners. It's not all about us. Give credit to other groups that align with our values.

Social Media Liaison: Roslyn Teirney North Hobart

PHOTOGRAPHERS:

The district encourages all members to take photographs or video of all current events and projects and to share these with the public via social media and the district.

For large events the district may arrange for a photographer to record the event.

District Photographers: Steve Barker Salamanca
Rod Oliver Launceston
Michael Quinn Glenorchy

SERVICE PROJECTS

DIRECTOR: Heather Chong Hobart

The Director – Service Projects is responsible to the District Governor for directing and managing the relative committees in their role to assist clubs in supporting communities locally, nationally and internationally. Working with Assistant Governors, the Director provides ongoing support through sharing knowledge of district service programs and initiatives, can assist in development of a community needs analysis per club as a means of building portfolios of relevant service project opportunities and ensures publication of good news stories and successes.

Ongoing Service areas / projects include:

ROTARY AUSTRALIA WORLD COMMUNITY SERVICE: (RAWCS):

RAWCS was formed to support Australian Rotarians and Rotary Clubs in assisting disadvantaged communities and individuals through humanitarian aid projects. Visit <https://www.rawcs.org.au/en/> for information on the options available (including tax deductibility) or talk to:

Chair: Leigh Dyson Youngtown

ROTARY TASMANIA COMMUNITY CARE; (RTCC)

Rotary Tasmania Community Care has been established to assist Tasmanian Rotary clubs to identify local community projects where a need is evident, the project is sustainable and will require the active and ongoing participation of the beneficiary. Members of Rotary Tasmania Community Care (RTCC) committee will be willing to assist Tasmanian Rotary clubs to fund raise to support approved projects and if funds are available to provide grants to approved projects. RTCC will not be involved in research projects but will partner with strong reputable Tasmanian organisations to maximise and leverage funding to support approved community projects recommended by Tasmanian Rotary clubs.

Chair: Biddy Fisk Sandy Bay

AUSTRALIAN ROTARY HEALTH:

(ARH):

Australian Rotary Health is one of the largest independent funders of mental health research within Australia. We provide funding into a broad range of general health fields, scholarships for rural medical and nursing students, as well as Indigenous health students. Australian Rotary Health provides funding into areas of health that do not readily attract funding and promotes research findings to the community. Australian Rotary Health is a project of the Rotary Districts of Australia and is supported by Rotary clubs.

Visit <https://australianrotaryhealth.org.au/> for information or talk to:

Chair: **Ken Moore** **Burnie**

ROTARY OCEANIA MEDICAL AID for CHILDREN:

(ROMAC):

ROMAC provides surgical treatment for children in Australia and New Zealand from developing countries from our Pacific Region in the form of Life Giving and/or dignity restoring surgery not accessible to them in their home country. There are 'no paid staff' and the small administration expenses incurred are paid from another income stream.

Visit <https://www.romac.org.au/> for information or talk to:

Chair: **TBC**

INTERPLAST:

Interplast sends teams of volunteer plastic and reconstructive surgeons, anaesthetists, nurses and allied health professionals to provide life-changing surgery and medical training in 17 countries across the Asia Pacific region. We do this in partnership with local organisations including hospitals, universities and local Non-Government Organisations. Our mission is to 'repair bodies and rebuild lives'. We do this through providing surgical services to those who could not otherwise afford or access these and by building the capacity of local medical systems through our training and mentoring programs.

Visit <https://interplast.org.au/> for information or talk to:

Chair: **TBC**

NEPAL PROJECTS;

Nepalese and Tasmanian Rotarians have worked together over several years to successfully implement a number of humanitarian projects to improve the lives and welfare of many needy local people in Nepal, particularly in the Districts of Makwanpur, Syangja, Rautahat and Bara and localities of Kathmandu, Hetauda and Waling.

Two currently joint projects with the RC of Hetauda include the "Gift of Sight" Eyecare program / Outreach MicroSurgical Eye Camps (OMEC) and the Hetauda Support Project.

The Gift of Sight project provides eye screening, diagnoses and treatment of eye issues in sight-impaired, remote-area Nepalese people. Many surgical corrections of cataracts are subsequently performed at the Hetauda Community Eye Hospital, including free accommodation, meals and transport for patients, thereby making a very positive impact on the lives of many families and the poorest people in a very poor country.

The Hetauda Support Project in various ways provides improvement in educational opportunities and health and living outcomes of the needy, including support for the Hetauda Blind School and provision of an ongoing music program for the students. Sponsorship and funding is currently mainly possible through generous giving by various individual Rotarians and some Rotary Clubs.

Chair **Winston Quail** **Launceston West**

EMERGENCY FODDER RELIEF;

In disasters like the recent bushfires, one of the urgent needs is fodder for livestock. Rotary clubs, especially rural clubs, have the knowledge, skills and networks to be leading organisers in the collection, transport and distribution of fodder in future disasters. The Tasmanian Disaster Fodder Relief Plan has been accepted by the Tasmanian Government as the key distribution method in disasters. The fodder program focuses on providing assistance to farmers following floods, fires or disease outbreaks. The District has reserved \$20,000 so it can immediately respond with the purchase of fodder until donations start to flow.

For information, talk to:

Chair: **Robin Thompson** **Scottsdale**

DISTRICT RESOURCE NETWORK (DRN)/ DISTRICT INTERNATIONAL SERVICE CHAIR (DISC)

The District International Service Chair (DISC) is part of our Service Projects team. The DISC role includes developing a District Resources Network (DRN). A DRN includes: identified skilled resources, within our district who can work together as a Project Enhancement Team, supporting those who are assessing, planning, funding, implementing and executing projects and finally reporting including to the Rotary Showcase. These teams can work across club, district and national boundaries to draw on wide pools of experience, expertise and contacts. Clubs can use the DRN via the DISC when planning new projects to draw on the experience of others who have managed or worked on similar types of projects. The DISC can also facilitate the identification of project partners – host Rotary clubs with committed Rotarians who will see the project through to completion. This is a key step in developing new successful and sustainable international and community service projects.

DISC: **Heather Chong** **Hobart**

ROTARY ACTION GROUPS:

(RAGS):

Rotary Action Groups are independent, Rotary-affiliated groups made up of people from around the world who are experts in a particular field, such as economic development, peace, addiction prevention, the environment, or water.

There are 26 RAGs in Rotary.

Food Plant Solutions is run from Tasmania, with Una Hobday as the Chair, and many of the people involved living in Tasmania. For more information visit <https://foodplantsolutions.org/> or contact Una Hobday, Hobart

DG's FOCUS PROJECTS

It is traditional for the District Governor to highlight a project that addresses one of Rotaries seven areas of focus.

WOMEN'S HEALTH:

Last year, PDG Bob Calvert started a Gynaecological Cancer Project which aimed to create awareness of and to raise funding for clinical trials undertaken by the Royal Hobart Cancer and Blood Services Clinical Trials Unit, to assist Tasmanian women suffering from a gynaecological cancer. These trials help to **create hope** - hope the participants will benefit from the trial and hope that, as a result of the trials, the disease will impact people less in the future.

Rotary Tasmania Community Care (**RTCC**) are championing this project. Clubs can help by raising awareness with guest speakers and/or community awareness events, as well as by selling merchandise or holding fundraising events.

Coordinator

Biddy Fisk

Sandy Bay

DOMESTIC VIOLENCE AWARENESS PROJECT:

The District Governors project for this year will be a Zone wide project to create awareness in the community of the harm done by Domestic Violence. In Tasmania This will take the form of public events on the last weekend of November which will be linked with similar events around Australia and New Zealand with wide press coverage and support from politicians and senior members of the community.

Partnerships are being developed with likeminded community organisations to increase the impact of the project. Clubs will play an important part in publicising what is happening in their communities. At this stage the costs will limited to purchasing promotional clothing and materials. Rotary Tasmania Community Care will be coordinating this project

Coordinator

John Dare

Deloraine

THE ROTARY FOUNDATION (TRF)

DIRECTOR:

C Ross CARLYLE

Sandy Bay

The Rotary Foundation transforms your gifts into projects that change lives, both close to home and around the world. As the charitable arm of Rotary, it taps into a global network of Rotarians who invest their time, money and expertise into our priorities, such as eradicating polio and promoting peace.

Foundation grants empower Rotarians to approach challenges such as poverty, illiteracy and malnutrition with sustainable solutions that leave a lasting impact.

Strong financial oversight, a stellar charity rating and a unique funding model mean that we make the very most of your contributions. Give and become a part of Rotary's life-changing work.

The Director - The Rotary Foundation acts on behalf of the District Governor in supervising TRF committees as they work to engage clubs in TRF programs and encourage clubs to support TRF causes.

AREAS OF FOCUS:

The most successful and sustainable Rotary service projects involve:

- Peacebuilding and Conflict Prevention
- Disease Prevention and Treatment
- Water, Sanitation, and Hygiene
- Maternal and Child Health
- Basic Education and Literacy
- Community Economic Development
- Environment

As a service organisation, Rotary encourages the promotion of these causes as the basis of our community and fundraising activities - that is, we fundraise to serve a cause!

GRANTS:

Global Grants: support large international activities with sustainable, measurable outcomes in Rotary's areas of focus. By working together to respond to real community needs, clubs and districts strengthen their global partnerships.

Read A Guide to Global Grants for detailed information on planning your project, applying for a grant to fund it, carrying it out, and reporting on your progress and outcome.

Global grants, which must support one or more areas of focus, can fund humanitarian projects, scholarships for graduate-level academic studies and vocational training teams.

The minimum budget for a global grant project is \$30,000. The Foundation's World Fund provides a minimum of \$15,000 and maximum of \$200,000. Clubs and districts contribute District Designated Funds (DDF) and/or cash contributions.

If considering applying for a Global Grant please seek advice first from any of the following: Director - TRF, DISC Chair, a TRF Cadre, Grants Chair.

District Grants: fund small-scale, short-term activities that address needs in your community and communities abroad. Each district chooses which activities it will fund with these grants providing they support the mission of The Rotary Foundation. Grants are funded up to a maximum of \$3,000 on a dollar-for-dollar basis.

General Foundation Grant Eligibility Guidelines and Application Forms:

A copy of the Guidelines and Application Forms are available on the District WEB site - Members Only area)

Chair: **Roslyn TEIRNEY** **North Hobart**

GIVING;

It's through the generosity of Rotarians, Rotary clubs and others that The Rotary Foundation is able to empower you to do good in the world, both locally and globally. Half of the donations to the Annual Fund come back to the district to support your local projects. The other half can help fund your largescale projects.

Make the Foundation one of your charities at rotary.org/donate/

There are many options to choose from when considering a gift to The Rotary Foundation.

1. ANNUAL GIVING:

The Annual Programs Fund contributions provide the cornerstone for funding of The Rotary Foundation programs. Half of annual contributions return to the District as District Designated Funds for use by the District three years after the contribution was made. Individuals and clubs are encouraged to give annually to this fund. Individual contributions are **fully tax deductible**.

2. ENDOWMENT FUND:

Contributions made to the Endowment (Permanent) Fund by individuals are invested in perpetuity. This fund enables individuals to combine their gifts into a significant force to address the world's greatest needs for generations to come. A percentage of the total fund is spent annually to support educational, humanitarian and cultural programs and projects throughout the world.

3. CENTURION CLUB:

Have you considered making a **personal donation** to The Rotary Foundation?

Why not join the **Centurion Club**? Donations are **fully tax deductible** and **contribute towards your club PHF credits**. The commitment is **\$100 Australian per year** for as long as you are able to do so. On receipt of your initial \$100 donation, you will be issued with a pin to recognise your participation in this worthwhile program. If you chose to make your payment US\$100 per year, you will also qualify as a Foundation Sustaining Member. Your contribution is part of the **Rotary Foundation Annual Giving Program**, which assists our District with resources to support The Rotary Foundation Humanitarian and Educational Programs.

4. PAUL HARRIS SOCIETY:

The Paul Harris Society for our District was launched in March 2010.

It is a special recognition program designed for Rotarians who wish to support The Rotary Foundation in a more substantial way each year. The Paul Harris Society recognises Rotarians and friends of The Rotary Foundation who annually contribute US\$1,000 or more to the Annual Programs Fund, PolioPlus, or the Humanitarian Grants Program.

Chair: **C Ross Carlyle** **Sandy Bay**

END POLIO NOW:

Along with our partners, Rotary has reduced polio cases by 99.9 percent worldwide since our first project to vaccinate children in the Philippines in 1979. We are close to eradicating polio, but we need your help. Whether you have a few minutes or a few hours, here are some ways to make a global impact and protect children against polio forever.

- **Give:** - Rotarians have helped organise more than 2.5 billion children against polio in 122 countries. For as little as \$0.60, a child can be protected against this crippling disease for life.
- **Build Awareness:** - Help get the word out about our efforts to fight polio - #ENDPOLIONOW!
- **Become an Advocate:** - Make sure policymakers know how important it is to eliminate polio.

Chair: **Marion COOPER** **Sandy Bay**

Donations to the Polio Fund are matched two-for-one by the Gates Foundation.

For as little as A\$1, a child can be protected from polio!

PEACE FELLOWSHIPS:

Each year, Rotary selects up to 100 professionals from around the world to receive fellowships to study at one of our peace centres. Through academic training, practice and global networking opportunities, the Rotary Peace Centre's program develops leaders who become catalysts for peace and conflict prevention and resolution.

These fellowships cover tuition and fees, room and board, round-trip transportation and all internship and field-study expenses.

In just over a decade, the Rotary Peace Centres have trained more than 1,600 fellows for careers in peace building. Many of them are serving as leaders at international organizations or have started their own foundations.

Chair: **Stephen PORTER** **Hobart**

VOCATIONAL PROJECTS

DIRECTOR:

Bert Dorgelo

Tasman Peninsula

The Director – Vocational Projects, via committees, assists the District Governor in promoting high ethical standards and fostering the ideal of service in all vocations. Vocational service values underpin much of what Rotarians do – promoting ethical practices in all vocations, recognising the value of all useful occupations and taking action by contributing their vocational talents to the problems and needs of society. Through vocational service we:

- Serve others by using our unique skills to address community needs.
- Empower others through training and skill development.
- Inspire others to act with integrity by following Rotary’s guiding principles.

These values lie behind everything we do.

EMERGENCY AND DISASTER RECOVERY:

Rotary Clubs in Tasmania have proved to be essential agents in the recovery process following natural disasters that have improved outcomes for families and communities. Rotary is accepted as an ongoing support organisation and has a formal role in the State Recovery planning.

This action area has been placed within Vocational Projects as it is developmental and there is scope to add resilience and disaster thinking into mainstream business practice in a time of climate change and environmental threat.

Chair:

Bert Dorgelo

Tasman Peninsula

PROFESSIONAL DEVELOPMENT EXCHANGE (PDE):

The Professional Development Exchange program is a Rotary Tasmania initiative with an active professional/business development emphasis.

PDE is a unique professional and cultural exchange opportunity for businesspeople and professionals between the ages of 25 and 35, who are in the early stages of their careers.

Team members experience the host country’s culture and institutions, observe how their vocations are practiced abroad, develop personal and professional relationships and exchange ideas. The team is led by an experienced Rotarian, selected from club nominations.

ROTARACT:

From a simple beginning in 1968, Rotaract has become a strong international service club for young men and women (aged 18+) who have a commitment to their communities, be it at local and/or international level.

Sponsored and supported by local Rotary clubs, members of Rotaract seek to develop friendships and professional contacts that will enable them to address the physical and social needs of their communities. At the same time, members develop their own personal skills and knowledge. As part of an international network of Rotaract clubs, members can reach well beyond the local scene through projects, contacts and conferences. The District Rotary Director and Rotaract Representative are available to help organise new Rotaract clubs, assist communication between Rotary and Rotaract and plans district- wide training for Rotaract club officers. Rotaract hold regular meetings to suit their programs and while the Rotaract charter requires a Rotary presence at each of these meetings, Rotaract is autonomous with its own Standard Club Constitution and it regulated through the Rotaract Statement of Policy.

Rotaract Clubs are now members of Rotary International and they can also co-sponsor Interact Clubs.

Additionally, the District Governor is able to appoint Rotaract members in good standing to serve in any district committee role.

District Rotaract Director.: TBA
District Rotaract Rep.: Taylah Willcox Tamar Valley Rotaract

ROTARY FRIENDSHIP EXCHANGE/MISSIONS:

Friendship Exchange is an international exchange program that allows participants to take turns hosting one another in their homes and clubs.

There are many benefits:

- Broaden international understanding.
- Explore a specific profession or job in a different context.
- Build enduring friendships.
- Establish a foundation for peace and service.
- Gain opportunities for active project – involvement and support
- Learn about a region's people, food, languages, customs and history

Friendship Exchange participants are Rotary members and friends. They travel as individuals, couples, families or groups. Prospective exchange teams communicate in advance to decide on the purpose, format, timing, logistics and duration of each visit.

Exchanges offer unique chances for cultural immersion and interchange. They may include opportunities for professionals, including young professionals, to build global understanding and boost vocational and leadership skills. They can provide cultural experiences, vocational activities, fellowship and much more.

All exchanges from Tasmania are funded by the participants. Hosts are not expected to assume a significant financial burden. Visitors enjoy warm hospitality and an international travel experience unlike any other. Hosts are rewarded with new friendships and cultural exchanges, while showing their part of the world to visitors.

ROTARY FELLOWSHIPS:

Rotary Fellowships are autonomous, international groups of Rotarians, Rotarian partners and Rotaractors who join together to:

- Share a common interest in worthwhile recreational activities (sports, hobbies, etc.)
- Further their vocational development through acquaintance with others of the same profession
- Make new friends around the world.
- Explore new opportunities for service.
- Have fun and enhance their Rotary experience!

Rotary Fellowships began informally in 1928 when Rotarians with a shared interest in the international language Esperanto joined together. In 1947, a group of Rotarian boating enthusiasts began flying the Rotary flag from their craft, calling themselves the International Yachting Fellowship of Rotarians – which now holds the distinction of being the oldest continuing fellowship. The scope of fellowships has changed significantly over the years, but their purpose remains the same: to unite Rotarians in friendship and provide opportunities to enjoy favourite recreational or professional activities.

Many fellowships also use their special interests to serve others. For example, the Fellowship of Canoeing Rotarians has clean-ups of polluted rivers; members of the International

Computer Users Fellowship of Rotarians conduct training sessions for Rotarians and others in their community and members of the International Fellowship of Rotarian Scuba Divers join local Rotary clubs to undertake service projects on each of their diving trips.

Rotary International has established specific policies for forming a Rotary Fellowship. The RI Board of Directors evaluates each prospective group before deciding whether to formally recognise it. However, each fellowship operates independently of RI, with its own rules, dues, requirements, and administrative structure.

Membership is open to all Rotarians, Rotarian partners and Rotaractors.

YOUTH PROJECTS

DIRECTOR:

Liz BULMAN

Youngtown

The Director – Youth Projects is responsible to the District Governor for planning, organising, assisting and supporting clubs in the implementation of programs that support the youth of our community, including building strong relationships with schools.

SCHOOL/CLUB RELATIONSHIPS;

The District and clubs have recently undertaken a review of which clubs support which school(s) and whilst it was recognised there are some cross overs, it was decided to develop an online database, accessible via the Rotary Tasmania secure Members Section, which identifies what clubs are doing what with what schools.

This data base will allow clubs to enter in which schools they are supporting and to what.

degree both financial and in kind.

The district asks clubs to support students from the schools primarily aligned to them, however through the database, work with other clubs to ensure schools and students are provided the best coverage possible.

- Clubs can enrol support from other club(s) as needed/requested, as some clubs may have had relationships in the past with schools they are not primarily aligned to.
- Some students may apply for a single program through several clubs, a drain on resources and time. The purpose of this database is to ensure we capture those students applying through their school to

the club aligned to their school, which is not necessarily the club nearest to where they may live.

- For some programs the relevant committee may work extremely hard to find and secure students for programs. The advantage of this database is that, in these cases, the committees will know which club(s) to approach to support these students.
- As always, the spirit of Rotary cooperation applies. If a club cannot or does not wish to support a student, or maybe several students apply from the one school (which could involve a large cost), then clearly another club or clubs may step up to help or be approached.

Clubs should be communicating with their aligned schools and building foundations for long term relationships and the ongoing success of our excellent Youth Programs.

ROTARY YOUNG LEADER AWARDS (RYLA):

Rotary Young Leader Awards is an intensive leadership experience organised by Rotary clubs and districts. Participants develop skills as leaders, while having fun and making connections.

Connecting with leaders in local communities and around the world, they will:

- Build communication and problem-solving skills.
- Discover strategies for becoming a dynamic leader.
- Learn from community leaders, inspirational speakers and peer mentors.
- Unlock potential to turn motivation into action.
- Have fun and form lasting friendships.

RYLA events are organised locally by Rotary clubs and districts for participants aged 18–30. RYLA in Tasmania takes the form of a five-day live-in camp. It includes presentations, activities and workshops, covering a variety of topics.

ROTARY YOUTH PROGRAM of ENRICHMENT (RYPEN):

RYPEN holds weekend camps in leadership for Grade 10 students. It is an Australian designed project for young people aged 14 to 17. Camps are held in May in both the south and north of Tasmania.

RYPEN sets out to broaden horizons and lift aspirations in a supervised residential weekend seminar. Its aim is to communicate to young people a series of ideas, problems and social experiences, which will assist them in forming their own values and moral standards and broaden their horizons culturally, socially and academically.

Nominations are encouraged through Rotary clubs approaching their nominated schools.

Applications are directed to the district RYPEN chair for selection and advice. The cost for the weekend is usually carried by the sponsoring Rotary club.

RYPEN participants gain effective strategies to support their personal leadership goals, along with wonderful memories of their weekend and a great group of new friends.

Rypenians should be encouraged to address their sponsoring Rotary club on their return.

Chair: **Sharon Deane** **Launceston**

ROTARY YOUTH DRIVER AWARENESS (RYDA):

RYDA is a community road safety initiative delivering practical road safety information. The program is facilitated in partnership with Rotary, presented by professionals and supported by corporate sponsors. The program about road safety is directed towards our young people as they approach the period in their life when they start driving a car and riding as a passenger in a car driven by one of their peers. In Tasmania it is presented to students in Grade 10.

The program focuses on attitude and awareness, with the aim of making the students better people on the road. Presenters include Rotarians, Road Safety experts, driving instructors, Police, recovering survivors of road crashes and drug and alcohol educators. This program is delivered across the state.

Chair: **Marion Cooper** **Sandy Bay**

SCIENCE/ENGINEERING CHALLENGE:

This is an outreach program, conducted by the University of Tasmania and the University of Newcastle, in association with Rotary and Engineers Australia. Selected Year 9 and 10 students engage in a number of activities related to science, technology and engineering. Regional challenges will be held in the Northwest, North and South on dates to be advised.

Chair: **Matthew Drake** **Hobart**

THE SCIENCE EXPERIENCE:

The Science Experience provides Year 9–10 students with an opportunity to participate in three days of hands-on science studies and related activities on campus at the University of Tasmania. The activities show students that science and technology can be an interesting career choice.
www.scienceexperience.com.au

Chair: **Liz Bulman** **Youngtown**

NATIONAL YOUTH SCIENCE FORUM (NYSF):

This program is offered to all Tasmanian students with an interest in science, who are entering year 12. This program is a unique opportunity for students to test drive careers and learn about study options in the fields of science, engineering and technology (STEM subjects).

Successful students will be offered a place in the well-established 12-day NYSF program in Canberra or Brisbane in January. Students apply online at nysf.edu.au by 31 May, and then approach the Rotary club aligned to their school for nomination for district selection in August.

www.nysf.edu.au

Chair: **Stephen Porter** **Hobart**

ROTARY YOUTH EXCHANGE (RYE):

An international exchange program for young people aged between 15 and 18 years. Rotary Youth Exchange students spend up to 12 months living and studying overseas.

During the exchange they learn about themselves, the culture of their adopted host families and the diversity of the host country. They become more confident, mature and independent.

www.ryea.org.au

Chair: **David Berechree** **Hobart**

ROTARY ADVENTURE IN CITIZENSHIP (RAIC):

Rotary Adventure in Citizenship (RAIC) is an intensive and fun-filled program to help prepare young adults for full participation as citizens of Australia.

Each year in May around 35 Year 11 students (the delegates) are sent by their local Rotary clubs to Canberra. For a week, RAIC puts the delegates “inside” Canberra. The delegates are immersed behind the scenes in Parliament House. They are taken out of their comfort zones into new places, set amongst new faces and asked to do new things.

Delegates view parliament in action, including the budget speech and question time, meet their federal members of parliament and press gallery journalists. Through role play, they participate in law-making debates and explore the functions of the parliament. One of the highlights is having morning tea with the President of the Senate and the Speaker of the House of Representatives. Most importantly, they meet and make friends with young people from all over Australia. Delegates from previous years have said this is one of the highlights of the RAIC program. The program is run in partnership with the Parliamentary Education Office.

www.raic.org.au

Chair: **Heather Chong** **Hobart**

INTERACT:

Interact clubs bring together young people ages 12-18 to develop leadership skills while discovering the power of Service Above Self. With the support of Rotarians and their School, Interactors have the opportunity to :

- Take action to make a difference in their school and community.
- Discover new cultures and promote international understanding.
- Become a leader in their school and community.
- Have fun and make new friends from around the world.

Interact clubs organize projects each year, that help their school or community and/or promote international understanding. Rotary club sponsors work with a teacher(s) to mentor and guide Interactors as they carry out their projects and develop leadership skills.

Coordinators:

**Bob Calvert
Michael Perkins**

**Sandy Bay

WINDEWARD BOUND YOUTH LEADERSHIP CHALLENGE:

The brigantine “Windeward Bound” is a 33-metre-tall ship. The Windeward Bound Trust’s Annual Youth Leadership Challenge is a working partnership with Rotary Tasmania that also receives support from the Migrant Resource Centre of Southern Tasmania. This program promotes understanding, inclusiveness and community by bringing together 20 young people of vastly different backgrounds for a ten-day voyage aboard the STV Windeward Bound and giving them the opportunity to connect and grow with one another in both the short and long term.

The Youth Leadership Challenge is open to youths between the ages of 15–18 living in Tasmania – ten locals with an interest in mentoring and creating a more inclusive Tasmanian community and ten from refugee backgrounds. This program is fortunate to receive generous financial support from a number of sponsors, which allows us to significantly

reduce the cost for all participants. Those who wish to participate as mentors are required to fundraise \$2,500 in donations to further offset these costs and youth from refugee backgrounds are eligible for a significant subsidy to cover the majority of their voyage fee. The Windeward Bound Trust provides some guidance to mentors in their fundraising and assists in matching mentors with Rotary clubs’ sponsors. Nearly half of all Tasmanian Rotary clubs have sponsored mentors in past years and most mentors from previous voyages have received some Rotary sponsorship.

ROTARY ACTION GROUPS

Rotarian Action Groups (**RAGs**) can help Rotary clubs and districts plan and carry out service projects. Each group has a specific area of expertise. They are autonomous, international groups organised by committed Rotarians and Rotaractors. Service areas covered include blindness, malaria, diabetes, AIDS and more – 26 in total. All have international committees, and all are available to Rotarians direct.

<https://my.rotary.org/en/document/rotarian-action-groups-flier>

Our district is proud to host the driving force for two of the 26 RAGS.

ROTARY ACTION GROUP ON MALARIA:

RAM-Global, the Rotary Action Group on Malaria, is taking Malaria work Rotary wide.

RAM-Global and partners projects have PROVEN we can TAKE MALARIA TO ZERO. This is NEW.

Rotary International and The Rotary Foundation gave the first ever PROGRAM OF SCALE to Malaria. RAM-Global is working with partners, local and international, to SCALE UP the Program of SCALE.

PARTNERS include RAM-Australia whose work has PROVEN we can TAKE MALARIA to ZERO and KEEP IT AT ZERO. The several Global Grants gave us the TOOLS and TECHNIQUES we Rotarians SHARE globally.

www.ram-global.org

District 9830 Rep: Dr James Roberts-Thompson Devonport North

FOOD PLANT SOLUTIONS ROTARY ACTION GROUP:

Food Plant Solutions Rotary Action Group (FPSRAG) helps people overcome hunger and malnutrition and ensure food security, by providing self-help solutions, using easy to understand, science-based education materials.

The project focuses on local food plants, which are adapted to the region, require less inputs, and are more resistant to pests and diseases. Food Plant Solutions Rotary Action Group partners with in-country providers to use the materials and enhance food sovereignty, diversity, security, and sustainability. This project not only enables self-sufficiency, it's cost-effective, proven, sustainable and helps to mitigate climate change.

Food Plant Solutions Rotary Action is the only Rotary Action Group established and based in District 9830a and is a registered RAWCS Project No. 32-2009-10

Chair: Una Hobday Hobart

BASIC EDUCATION AND LITERACY ROTARY ACTION GROUP:

The purpose of LitRAG is to actively promote literacy and basic education in all communities, worldwide. The experienced Management Board has members from several diverse countries; however, the bi-monthly newsletter has become a valued resource across all Rotary districts. It encourages clubs and districts to be creative in their work with children and adults and even offers financial incentive for outstanding projects. Rotarians may freely access the newsletter by contacting PRID John Thorne. It assists parents and teachers with practical solutions and could be shared with project partners. www.litrag.org

Chair: PRID John Thorne North Hobart

DISTRICT CONFERENCE 2024

conference2024@rotary9830.org.au

MARCH 1st & 2nd 2024 – CREATING HOPE IN THE WORLD:

The 2024 Rotary Tasmania District 9830 Conference will celebrate the work we all do as Rotarians as we serve the community. This year we will be showcasing to the public what each of our clubs do in their respective communities, as well as the work of our Rotary Action Groups.

A welcome reception will be held at Government House on Friday night the 1st March. The Conference & Expo event will be held at the PW1 (Princess Wharf Shed) on Hobart's waterfront, Saturday March 2nd

March 2024. In the morning each club will have the opportunity to provide a display highlighting how they are Creating Hope in the World, through their actions in their communities. The Expo will be open to the general public. In the afternoon part of PW1 will be used to host the actual conference.

Of course, the Conference would not be complete without a Rotarian Gala Dinner, Reflections and a guest speaker of note will be the highlight of the night. The Conference will be free to one and all, apart from the cost of the Gala Dinner.

Chair:

Peter Morgan

Lindisfarne

CENTENARY OF ROTARY IN TASMANIA 2024

AUGUST 2024:

Both the Rotary Club of Hobart was chartered on the 2nd August 1924 and the Rotary Club of Launceston was chartered on the 5th of August 1924, making August 2024 their joint Centenaries. Planning is currently underway to celebrate this milestone in the History of Rotary in Tasmania.

PAST DISTRICT GOVERNORS

DISTRICT 65		
1931–32	Harry M Cummins*	
1937–38	J. Burgess Watt*	
1943–45	J. Burgess Watt*

ROTARY MONTHS

Using the Rotary months, programme organisers, bulletin editors, publicity coordinators and others can focus speakers and publicity to support Rotary International's programme and showcase the club's activities in those areas.

The poster features the Rotary logo in the top left corner. The title 'ROTARY MONTHLY THEMES' is centered at the top in white text on a blue background. Below the title is a table with two columns: 'MONTH' and 'DESIGNATION'. Each row includes a month, a small circular icon representing the theme, and the theme's name. The background of the poster is dark blue with decorative yellow and white curved lines on the sides. At the bottom left, there is a logo for 'Long White Dragons March 2023'. At the bottom right, the word 'Rotary' is written in white next to the Rotary logo.

MONTH	DESIGNATION
JULY	 Maternal and Child Health
AUGUST	Membership & New Club Development
SEPTEMBER	 Basic Education and Literacy
OCTOBER	 Community Economic Development
NOVEMBER	Rotary Foundation
DECEMBER	 Disease Prevention and Treatment
JANUARY	Vocational Service
FEBRUARY	 Peacebuilding and Conflict Prevention
MARCH	 Water, Sanitation, and Hygiene
APRIL	 Environment
MAY	Youth Service
JUNE	Rotary Fellowships

Sunday 29th District Changeover - Launceston

DISTRICT GOVERNOR CLUB VISIT SCHEDULE

A schedule for club visits has been circulated to Presidents and Secretaries in early July. For the most current dates, please contact DG Mike directly to make sure that he is available if a change of date or location is required.

dq@rotary9830.org.au

(m) 0439 919 234

CLUB VISIT PROTOCOL:

The District Governor and partner and the Assistant (Group) Governor are **'guests of the club'** for official club visits.

The District Governor will address the club when visiting. Please allow up to 30 minutes. No other guest speakers please.

Assistant (Group) Governor club visits throughout the year are also considered to be **'guest of the club'**.

PROBUS

Initiated by Rotary, Probus is a not-for-profit organisation with Clubs in all States and Territories of Australia, New Zealand and 21 other countries. It provides retirees and semi-retirees the opportunity to connect socially, exploring new interests, and maintaining an active role in their communities.

The core goal of Probus Clubs is providing meaningful support to encourage active and enjoyable social participation. By working together, the problems associated with social isolation can be reduced. Older people who are in good health, live in safe communities, have satisfying relationships, and experience meaningful roles in society are likely to be the most socially engaged and to remain contributing members of their local and wider communities for much longer.

FAMILY OF ROTARY

PROBUS

Rotary Clubs' community service to assist senior members of their communities

Significant benefits can flow to communities by Rotary Clubs supporting or assisting in the formation of new Probus Clubs in their local area to actively assist older Australians to continue and expand their interests, while enjoying the fellowship of new friends and participation in society.

There is an opportunity for retired Rotarians and their partners in addition to their membership of their Rotary Club, to join their local Probus Club, which generally meet for morning tea and guest speaker once a month.

There are benefits for Rotary Clubs who sponsor or have sponsored Probus Clubs in the past, to stay connected with these Clubs. Creating or maintaining a relationship with local Probus Clubs supports the awareness and promotion of Rotary Clubs and may provide opportunities for volunteers for Rotary projects and prospects of attracting Rotarians from families of Probus members.

What could be a more positive and important Rotary community activity than PROBUS, meeting the needs and wellbeing of our treasured older Australians?

Take the challenge – get to know your local Probus Clubs and explore the opportunity to sponsor or support the formation of a new Club in your community or reconnect with a Probus Club that your Rotary Club had formed in the past.

Probus South Pacific Limited (PSPL) - is the national service and support centre providing services and support to members, Clubs and Associations and formation of new Clubs.
