

**Rotary Youth Program
of Enrichment 2023**

Introduction to RYPEN

RYPEN is a life-changing program for Grade 9 to 10 students. It helps develop leadership, initiative, teamwork, responsibility skills, and communication skills through fun activities.

RYPEN Eligibility

Open to Year 9 and 10 students with an open mind who demonstrate personal qualities such as persistence, sincerity, application, dependability, and honesty

The candidates need not be the highest achievers but have leadership potential

Must be willing to participate in all RYPEN activities.

Benefits of attending RYPEN

Attending RYPEN provides opportunities for personal development, leadership skills, team building, and community involvement. Meet new friends too!

Skills you will learn

Leadership skills.

Time management.

Effective communication, networking, and team building

Responsibility of self

Social skills

Testimonials from previous attendees

My personal best moments were when I got to know my friends a bit more and the swing/team outdoor activities. ~ RYPENIAN 2022

The program was run well! All the mentors were really amazing! I would definitely come back if I could. ~ RYPENIAN 2022

Activities during RYPEN

Indoor and Outdoor team building exercises to improve communication skills.

Leadership activities to develop responsibility and accountability.

Personal development workshops to build self-esteem and confidence.

Workshop on health and wellbeing

And, other intense weekend of activities that will build your self-image, motivation, initiative, confidence and goal-setting skills

Program cost?

Local Rotary Clubs nominate participants for RYPEN and sponsor the cost for the weekend, therefore at no expense to participants. Contact your local Rotary Club and get more information about the RYPEN event.

Or, once we receive the application and if it is successful, we will match participants with local Rotary Club.
